PURPOSE OF HANDBOOK

This Volunteer Handbook is designed to provide you with the information you need as you begin your volunteer service with Embrace Families. Please take the time to familiarize yourself with this information, and continue to use it as a reference throughout your volunteer experience. In particular, please carefully review sections detailing the specific and necessary requirements to assist us with safeguarding the safety and privacy of those we serve.

No handbook can answer all the questions you might have about our agency and the full scope of work that we do. It is our hope that this resource will allow you to feel comfortable volunteering with us and provide a working knowledge of who we are.

We depend on you – your success is our success. Please don't hesitate to ask questions. We believe you will enjoy your volunteer work here. We also believe you will find that Embrace Families is worthy of the time you invest.

In creating this handbook, we have avoided the use of specific gender pronouns wherever possible. However, where such avoidance would have led to very awkward sentences, we have used the masculine pronoun. This use should be considered to refer to any identified genders.

This handbook supersedes all previous organization volunteer handbooks and policies. In addition, this handbook supersedes all prior management memos to the extent that such memo contradicts a subject or policy covered herein.

For purposes of this handbook, Embrace Families and its affiliated companies will be referred to as Embrace Families. The affiliated companies included in our network are: Embrace Families Community Based Care, Embrace Families Solutions, and Embrace Families Foundation.

ABOUT EMBRACE FAMILIES

At Embrace Families, we believe all kids deserve to grow up in safe, stable, and loving homes. That's why we work hard to find strength-based solutions that put each child's well-being first. We begin by helping families overcome the root causes of abuse and neglect through programs that offer case management and other community-driven solutions. And, when a child can't remain safely in their home, we support them through foster care, adoption and beyond to ensure that children in bad situations move toward brighter futures.

Our Vision

Every child has a safe, stable, loving home and a path to a bright future.

Our Mission

We are champions for children. In collaboration with our partners, we empower children and families to transform their lives through innovative, community-driven solutions.

Our Structure

Our commitment to keep struggling families intact and improve outcomes for children, teens and young adults extends beyond the scope of traditional child welfare services. In expanding our offerings to meet these enhanced needs, we've created an organizational structure that mirrors our commitment. Guided by a single vision, Embrace Families operates a centralized network of individual companies, each serving a distinct role.

The independent companies that operate as part of Embrace Families work collaboratively to meet the diverse needs of those we serve. Our major companies include the following:

EMBRACE FAMILIES COMMUNITY BASED CARE

As the region's lead agency for child welfare, Embrace Families CBC works with a collaborative network of state, local and private partners to ensure that every child in our community has a safe and stable home. Embrace Families CBC provides strategic management, support and advocacy for a child welfare operations network serving thousands of Central Florida children each day.

EMBRACE FAMILIES SOLUTIONS

Through grants and private philanthropy, Embrace Families Solutions operates programs outside of the traditional confines of child welfare, which are designed to fill critical gaps and strengthen the system of care. A variety of diversion programs are available to serve at-risk families and youth before they enter the child welfare system. These include family homelessness prevention, youth mental health support, and child abuse survivor support.

EMBRACE FAMILIES FOUNDATION

Embrace Families Foundation supports our mission to provide a unique system of care for vulnerable children and youth through strategic community engagement aimed at enhancing the organization's resources. The Foundation oversees community investment in the form of time, money, events and services to ensure positive outcomes for youth in the foster care system.

Our Values

We embrace a child-centered, family-driven model of practice that respects the strengths, perspective and voice of all, engaging and empowering each individual to reach their unique goals.

We embrace meaningful and healthy collaboration among our colleagues, partners, stakeholders, and the community. We believe the best solutions originate from diverse talents, temperaments and life experiences.

We embrace innovation, championing change and visionary ideas. We believe in pursuing opportunities through prudent risk-taking, carefully building the resources necessary to create new solutions.

We embrace integrity and honor our commitments by not compromising our ethics and moral principles. We speak the truth, keep our promises, and take responsibility for our actions.

We embrace accountability and serve as good stewards of all assets entrusted to our organization. We believe in sharing information frequently and with complete transparency.

We embrace mutual respect, recognizing that our organization is strengthened by our shared commitment to each other, recognition of individual needs, and thoughtful consideration of differing perspectives.

VOLUNTEERS

Embrace Families volunteers support a multi-faceted organization that now serves over 8,700 children and their families each year. They are involved with everything from teaching important life skills to youth as mentors, assisting with special events, serving as board members or on committees, collecting donations, increasing awareness, and providing direct support to foster families.

Our volunteers will tell you that their biggest reward comes from helping others, but the experience offers much more. Whether they work directly with our youth and families, or support the mission by collecting toys during the holidays or assisting with a fundraising event, volunteers gain a better understanding of the community in which they live, as well as the difference one caring individual can make.

As a volunteer you will:

- Receive assistance in finding the ideal spot for your time and talent;
- Share your knowledge, wisdom, and experience with others;
- Enjoy the satisfaction that comes with helping those in need;
- Remain an active and vital member of the community;
- Meet new people, develop new skills, and discover new experiences;
- Receive recognition for your services to the community.

Recognition

Embrace Families honors our active volunteers and mentors during an annual recognition event. All those who have reported their hours to the Embrace Families office during the fiscal year are invited. This is a special time for Embrace Families to show its appreciation and support for your time and service.

Volunteers are also recognized on an ongoing basis through newsletters, social media, annual reports, public relations, website posts and other promotional resources.

VOLUNTEER POLICIES

Non-Discrimination and Anti-Harassment

Embrace Families provides equal opportunities without regard to race, color, religious creed, sex, national origin, ancestry, citizenship status, pregnancy, childbirth, physical disability, mental disability, age (40 or older), military status or status as a Vietnam-era or special disabled veteran, marital status, registered domestic partner or civil union status, gender (including sex stereotyping and gender identity or expression), genetic information, medical condition (including, but not limited to, cancer related or HIV/AIDS related) or sexual orientation, in accordance with applicable federal, state, and local laws.

It is the policy of Embrace Families to maintain a work environment that encourages mutual respect, promotes respectful and congenial relationships between persons that are free from all forms of harassment by anyone, including supervisors, co-workers, vendors, contractors or clients. Harassment, even when not unlawful or directed at a protected category, is expressly prohibited and will not be tolerated by Embrace Families. Accordingly, Embrace Families management is committed to vigorously addressing complaints of harassment and sexual harassment at all levels within the organization. Reported or suspected occurrences of harassment will be promptly and thoroughly investigated. Following an investigation, Embrace Families will immediately take any necessary and appropriate disciplinary action.

For more information on this policy, please refer to Embrace Families HR Policy 1102, "Non-Discrimination and Anti-Harassment."

Relative Volunteers

Volunteers who are related, as defined in the Embrace Families' Nepotism policy, are permitted to work in the same facility, provided no direct reporting or supervisory/management relationship exists. That is, no volunteer is permitted to work within the "chain of command" of a relative such that one relative's work responsibilities, salary, or career progress could be influenced by the other relative.

No relatives are permitted to work in the same department or in any other positions in which the organization believes an inherent conflict of interest may exist.

For more information about this policy, please refer to HR Policy 1127, "Nepotism."

Age Limitations / Recruitment of Minors

Volunteers under the age of 18 must have the written consent of a parent or guardian before volunteering. The volunteer duties assigned to a minor will comply with all appropriate laws and regulations on child labor.

Attendance and Absenteeism

We depend on our volunteers to complete their scheduled shifts. We understand, from time to time, certain situations may arise that prevent you from doing so. In those circumstances, we request that you alert your point of contact of any scheduled absences, in advance or as soon as possible, so that an appropriate substitute may be found, if needed.

Ending Your Volunteer Service

You may resign from your volunteer service with Embrace Families at any time. We request that you notify your designated point of contact with as much advance notice as possible. You may be asked to complete an exit interview or survey so that useful information about your volunteer experiences can be gathered and that any needed improvements can be made.

Dismissal of a volunteer is a serious consideration. Before a volunteer is dismissed, attempts to reconcile the situation will be made. Dismissal of a volunteer may take place if a volunteer is unreliable, irresponsible, and disruptive, demonstrates inappropriate behavior, or fails to adhere to the policies and procedures of the Embrace Families Volunteer Handbook.

GENERAL POLICIES

Orientation

All volunteers receive an orientation, which will include information about Embrace Families, our policies and procedures for volunteers, and requirements for the position they are accepting.

Confidentiality Agreement

It is mandatory that all volunteers maintain strict confidentiality concerning clients served, in compliance with Florida and Federal law. It is the policy of Embrace Families to comply with the requirements for the Corporation for National and Community Service (CNCS) for responding to and reporting breaches of Personally Identifiable Information (PII).

Standard of Appearance

We ask that that volunteers dress appropriately for duties assigned. Apparel and grooming should reflect cleanliness, modesty, professionalism and safety. For example, physical work requires clothing that is comfortable and durable. Please know that, as a volunteer with Embrace Families, you are an example of the core values of Embrace Families and need to represent our agency well within the community.

For more information about the Embrace Families Dress Code, please refer to HR Policy 1124, "Employee Dress Code."

Time Reporting and Tracking

For state and federal reporting purposes, it is required that all volunteers track their volunteer activities and time spent on these activities. Volunteers can submit their hours via Embrace Families' volunteer management database system called Get Connected. To create an account and begin logging hours, please go to: <https://embracefamilies.galaxydigital.com/user/register/>

Volunteers can also submit their hours via the Get Connected mobile app. To download, visit the Google Play Store or Apple App Store and search "Volunteer Get Connected." Alternatively, volunteers can submit time sheets monthly (at a minimum) to their point of contact. See Sample Time Sheet on page 18.

Conflict of Interest

Embrace Families and its volunteers are expected to always act in the best interest of the organization and are encouraged to take steps to avoid conflict of interest, or even the appearance of conflict of interest, by disclosing any potential conflicts immediately to the organization.

If a conflict of interest arises while volunteering for the organization, the volunteer is required to disclose this conflict to their Embrace Families point of contact. Safeguards will be established to protect all parties involved and management will make adjustments to work activities, provided adjustment need to be made.

Drug Free Workplace

It is the policy of Embrace Families to maintain a drug and alcohol free workplace. For the purposes of this policy, “workplace” is defined as the organization’s properties, locations where Embrace Families-sponsored and/or client-sponsored activities are held, and any other site for performance of work on behalf of the organization. Embrace Families vehicles, as well as private vehicles parked on Embrace Families premises, are locations within these prohibitions.

In addition, Embrace Families strictly prohibits any staff or volunteer from being at work, performing work for Embrace Families, representing Embrace Families, and/or operating a motor vehicle while under the influence of alcohol, drugs, or controlled substances, as defined in schedule I through V of the Controlled Substances Act, 21 U.S.C. 812. Sec. 812, 21 C.F.R. Sec 1308, and the state and local law of the jurisdiction where the workplace is located, including, but not by way of limitation, marijuana, opiates (e.g., heroin, morphine), cocaine, phencyclidine (PCP), and amphetamines. However, the use of prescription drugs, when taken as directed by a duly licensed physician, shall not be a violation of this policy. For more information about the Embrace Families Drug Free Workplace Policy, please refer to HR Policy 1121, “Substance Abuse Prevention-Drug Free Workplace.”

Volunteers are cautioned not to bring valuables into the building or on site unless necessary. Embrace Families cannot be responsible for loss of personal property.

For more information about this policy, please refer to Building & Facilities Management Policy 1400, "General Health and Safety" and Policy 1407, "Maintenance of a Safe, Hygienic Environment."

Volunteer Tax Deductible Expenses

IRS laws may allow volunteers who itemize income taxes to deduct some expenses associated with their volunteer service. Volunteers should keep records of their expenses, including the name of the organization for which they volunteer and the details of the contribution, including non-cash donations, mileage, transportation, and out-of-pocket expenses.

For more information, contact your financial advisor or tax consultant.

Insurance

Liability and accident insurance is provided for all designated, recorded volunteers engaged in agency business. Embrace Families insurance is in excess of your personal insurance. Specific information regarding such insurance is available from the volunteer coordinator. Please contact your insurance agency regarding your primary coverage for accident, liability, and automobile insurance.
