Re: Orange County Maternity Group Home RFA Award Notice

Embrace Families Community Based Care, Inc. is pleased to announce the intent to award a Maternity Home - Residential Group Care Contract in Orange County to Hands of Mercy Everywhere. Hands of Mercy has extensive experience in serving pregnant teens and teen moms for youth in care across the state of Florida since 2004. After reviewing all applications, it was concluded that Hands of Mercy Everywhere's proposal best met the needs of our most vulnerable teens in need of a safe and stable home environment in Orange County. Embrace Families welcomes Hands of Mercy Everywhere to Orange County and looks forward to working with them to serve our young mothers.

Thank you,
