

**Intent to Award Notice for  
Emergency Supplemental Case Management Services for Orange & Seminole Counties**

Embrace Families Community Based Care, Inc. is pleased to announce that Camelot Community Care, Inc. has been selected to provide supplemental case management services in Orange and Seminole counties.

Camelot Community Care was founded in Illinois in 1973 as a residential treatment provider, the agency formed as a Florida non-profit in 1999. Today they operate case management, mental health and medical services in markets throughout Florida, as well as in Illinois, Indiana and Ohio.

We look forward to working with Camelot and our current CMA partners to better serve our children and families.
